

Apple News+ Daily Crossword Performance Analysis

Graeme Benson

October 20, 2023

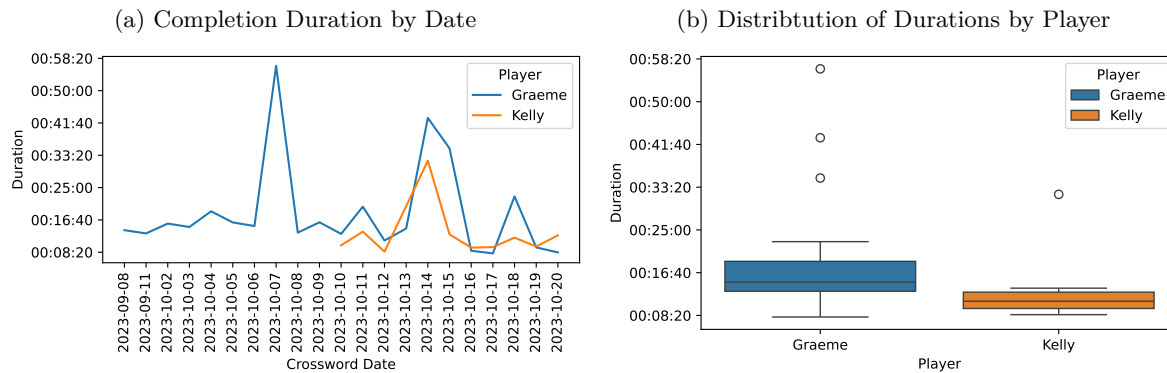

1 Abstract

The FAFO method demonstrates that Graeme is less skilled than Kelly when it comes to rapidly solving crossword puzzles.

2 Analysis

2.1 Performance Comparison

As evidenced by the plots below, Kelly's superior ability to kick ass and take names is apparent at a glance.

3 Conclusion

Graeme fucked around and found out...though he found out that he sucks at crossword puzzles.
