Graeme Benson

October 15, 2023
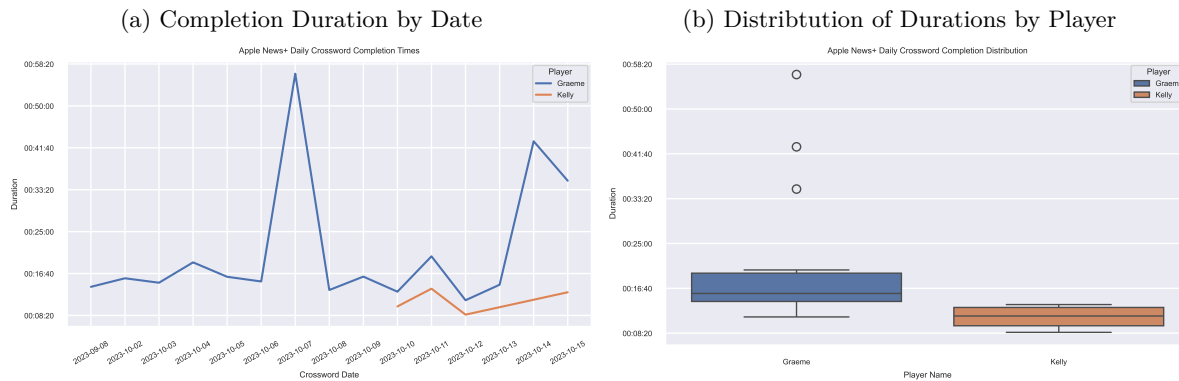

1 Abstract

The FAFO method demonstrates that Graeme is less skilled than Kelly when it comes to rapidly solving crossword puzzles.

2 Analysis

2.1 Performance Comparison

As evidenced by the plots below, Graeme sucks at crossword puzzles. Kelly's superior ability to kick ass and take names is apparent at a glance.

(a) Completion Duration by Date

(b) Distribtution of Durations by Player

3 Conclusion

Graeme fucked around and found out...though he found out that he sucks at crossword puzzles.
